

GRAND OPENING CELEBRATION

The Concord community is invited to join in the Grand Opening Celebration of the completion of five new homes at 335 Walden Street. The festivities will occur on August 1 at 10:30AM. The affordable homes were constructed by the Concord Housing Trust in cooperation with the Concord Housing Development Corporation, the Town, using funds from the Community Preservation Act, and crucial private donations.

The mission of the Concord Housing Trust, a non-profit housing development corporation, is to create and preserve affordable housing for those such as Town and School employees who could not otherwise afford to live in the Town they serve. Other affordable family housing created by the Trust is on Virginia Road, Baker Avenue, and Old Bedford Road.
