

EPA will hold a public meeting to provide an update about the Nuclear Metals Inc Superfund Site.

The meeting will be hybrid (in person or virtual) and will cover the site's history, the cleanup plan, and updates on the cleanup activities currently underway.

Questions: Call 617-872-9012 or email gray.charlotte@epa.gov

Thursday, April 2nd, 2026

7:00pm -8:30pm

Concord Town House, Public Hearing Room, Second Floor
