

You are cordially invited to a Town Forum

The Personnel Study Task Force (PSTF), established by the Select Board in the fall of 2021, is preparing to make its recommendations to the Select Board on October 3, 2022.

- They have reviewed the Personnel Policies, the Administrative Code, the Personnel Bylaw and potential changes that might be beneficial.
- They understand that the Town has had a long history of supportive relationship with its Employees.
- They have identified several opportunities where the Town can be more relevant and flexible given the changing nature of work.
- They want to hear any final input before making report

Come hear about some possible changes that might bring about greater participation by all parties.

If you are interested, please participate with us!
