As you may know, your employer purchases health benefits through the Minuteman Nashoba Health Group (MNHG). Effective October 1, 2017, the MNHG will make available on a **voluntary** basis to Non-Medicare **HMO** and **PPO** members a new, cost saving international mail order drug program for brand name prescriptions. The program is administered by CanaRx. **MNHGCanaRx** is a voluntary program and does not replace your current prescription benefit plan.

Advantages of joining the MNHGCanaRx program administered by CanaRx are:

- **\$0 COPAY** for all prescriptions offered through the program
- Prescriptions shipped directly to your home with no shipping and handling costs
- No out-of-pocket expenses
- See attached list of brand name prescription medications available

How does it work?

- Before ordering through CanaRx, you or your doctor must attest that you have been taking your prescribed medication for at least 30 days - this is to ensure you have not experienced any complications with the medication
- Ask your doctor for a prescription for a **3-month supply with 3 refills**
- Request your doctor to fax your enrollment form and prescription directly to **MNHGCanaRx**

-OR-

Mail your original prescription and completed enrollment form to **MNHGCanaRx**
