

NAGOG POND INTAKE REPLACEMENT CONCORD PUBLIC WORKS PROJECT UPDATES

Nagog Pond Project Update No. 3 – Week of June 19th

- The Town of Concord received public bids for the Intake Replacement project on Wednesday June 17th. The bids are currently undergoing administrative review by Environmental Partners.
- The Town of Concord received its initial delivery of liquid oxygen on Monday June 15th and the disinfection facility went on-line Thursday June 18th.
- The Town of Acton has created a project website for sharing information on the Nagog Pond project:
 - <https://www.acton-ma.gov/715/Nagog-Pond-WTP>
- The Town of Concord is in the process of developing an e-mail subscription for distribution of information regarding the project.
- The Town of Concord is in the process of compiling Intake Replacement design plans and permit approvals to be posted to the project website.
- The project's Chapter 91 Waterways decision is pending issuance from the Massachusetts Department of Environmental Protection.
