

tion provided on-road training for more than 350 days throughout the year. Over 250 courses and more than 10,000 individual lessons were provided during the year. The Village University continued to provide high quality daytime learning experiences for senior citizens. Summer classes and workshops provided educational enrichment to complement the Concord Public Schools Summer School program. The Concord-Carlisle Chess Club was established and met each weekend. The department created a new interactive website. The high school and the community at large was a campus for continuous learning through the entire year.

The CCACE Advisory Committee worked with the staff and faculty and provided a link with the administration and School Committee. Advisory Committee members are appointed by the Regional School Committee for three-year terms. Citizens are urged to contact Committee members, share ideas and volunteer, so that the Adult & Community Education program may respond to community needs, further enrich the towns, and achieve our shared educational goals.

The Concord Carlisle Scholarship Fund (CCSF) was established in 1966 to provide need-based grants to deserving young men and women from Concord or Carlisle to obtain additional educational opportunities after sec-

ondary school. The Fund is a tax-exempt charitable trust. Recipients must either live in or have attended school in either town.

The Fund is administered by a 22-member volunteer board of trustees. Scholarships are financed through an annual appeal, a student-staffed phonathon, and by income generated from memorial gifts, bequests, and named funds. For more information about the CCSF, please see the website: www.ccscholarshipfund.org.

Since the Fund began, it has assisted more than 1,000 students. In 2014, the trustees awarded over \$184,000 to 76 high school and college students, while the Fund's affiliated organizations supplemented this amount with over \$60,000, bringing the combined total awarded to \$244,400 and the combined number of students awarded scholarship assistance in 2014 to 93.

Traditionally, the Trustees host a brunch at the start of the new calendar year in appreciation of the Named Fund Scholarship benefactors. The annual CCSF phonathon takes place over two nights using space donated by Fenn School; it is staffed by Concord-Carlisle High School (CCHS) students who are candidates for the National Honor Society. The board also supports the annual Adrian A. Martinez Road Race in June which generates additional funds for the scholarship that memorializes Adrian, CCHS Class of 2002.

Many scholarship recipients write to share their progress and to offer sincere thanks for the support from our community. One such example from a 2014 CCHS graduate who is majoring in engineering writes, "By awarding me the scholarship, you have lightened my financial burden which allows me to focus more on the most important aspect of school, learning. I hope one day I will be able to help students achieve their goals just as you have helped me."

The Fund is pleased to announce the 2014 creation of The Abby Memorial Scholarship Fund to honor Abdirauf "Abby" Abdullahi who graduated from Concord Carlisle High School in 2006. He successfully completed high school, received a full scholarship to college, and was shot and killed in a case of mistaken identity two months before starting his first semester. He was the son of Somali refugees, and an exemplary METCO student who had taken advantage of the Concord-Carlisle education to catapult himself into success.
